

You can't blueprint society.

-ism's or ideologies will always fall short because of the world's complexity.
We've got to work together, learning and adapting as we go.

Let's create something peaceful to build upon.

Peaceful Foundation

Strategic Plan

A clear, simple plan for peaceful foundation;

Each project described within is designed to stand alone, but work together.
This document is written for anyone wanting to help in building a calmer, more local world.
